NOTES AND ORDERS.

Flag 'C' 1) Collection leading to the issue of letter No L 3150/D.T.B 11-55-12 dated 21.6.55 referred to by the Chairman city D.T.B Bangalore is put up for kind perusal.

2) The Chairman states that the Leather Workers are agitating for sites (in the Nagasirlayout) nearer to their business centres. He further states that the Board is pleased to reconsider the case of providing sites to them in Vasantha-Nagara Layout.

3) As per Board resolution the Board has to incur a total loss to the extent of Rs 16,998 + Rs 13,800 = Rs 30,798 in this layout. If

The rate now proposed by the Board is Rs 6/- per Sq yd The Chairman in his letter dated 4/6.4.81 has undertaken to make the Scheme self supporting, the rate of Rs 8/- per Sq yd for Small Site to be formed in this area has to be charged. But the Leather Workers cannot perhaps afford to pay Rs 8/- per Sq yd

4) The proposal of the Board is to convert 81 Sites of measuring 40'×60' into 94 sites measuring 30'×25' and to allot these sites to the Leather Workers at Rs 6/- Sq per yd

5) Since the Chairman has witnessed, that the Board would loose Rs 30,798/- if the sites formed are sold at Rs 6/- per sq yd it is for orders whether the Chairman may be requested whether this loss could not be made up by disposing of the sites in the Nagadi Layout at a slight higher rate.

Sir,

Subject: House Building sites to the Harijans Leather Workers in Vasanthanagar Extension.

Plan

With reference to your letter No.L.3150/ITB.11-55 dated 21st June 1955 on the above subject, ~~subject~~, suggesting to earmark sites to the Harijan Leather Workers in the layout at Magadi Road as proposed in this office letter of even number dated 6th April 1955, I write to ~~note~~ State that the Leather Workers are agitating for sites nearer to their business centres and the Board was pleased to ~~xxx~~ reconsider the case of providing sites in the Vasanthanagar Extension.

In the III Stage of Vasanthanagar Extension a provision has been made for the formation of 51 sites of 40'x60' at a cost of Rs.1,08,800/-. With a slight modification and by utilising only the area covered by 34 sites of this layout and by providing an additional road, 94 sites measuring 30'x25' each, can be formed to meet the requirements of Leather Workers.

The subject was placed before the Board at the meeting held on 28th June 1955 when it was resolved "That the proposal to form 94 sites, each measuring 30'x25' in Vasanthanagar layout as shown on the plan be approved Further the sites be disposed of to the Harijan Leather Workers at the rate of Rs.6/- per sq.yd The Government be also addressed that the area wherein the 94 sites were proposed to be formed is different from the one referre to in connection with the disposal of sites to Leather Workers Association (vide L.S.G.Secretary's letter No.L.3150/ITB.11-55

dated

(2)

dated 21st June 1955).

This modified proposal to form 94 sites will cost Rs 13,800/- over the sanctioned estimate. If all the existing 34 sites of 40'x60' having sital area of 10,666 sq.yds. in all, were to be sold out at Rs.6/- per sq.yd. the realisation will be Rs.63,996/-. As against this, the realisation on 94 sites now proposed having sital area of 7833 sq.yds. if sold at Rs.6/- per sq.yd. will be Rs. 46,998/-. Hence the loss by such concession will be Rs.16,998/- (viz., Rs.63996 - 46998 = 16998/-) and this will be in addition to the extra cost of Rs.13,800/-.

A copy of the layout plan of the proposed sites is herewith enclosed. Government sanction to the said resolution of the Board may kindly be obtained and communicated early for taking further action.

Yours faithfully,

(Y.C.Hombalayya)

To

The Commissioner for Depressed Class,
Government of Mysore, Bangalore.

Dear Sir,

Buildings sites for the members of
our community at Millers Road, B'lore.

We beg to submit that the benign Government have been good enough to sanction for the members of our community through the Bangalore City Improvement Trust Board, building sites, 94 in number, at Miller Road, Bangalore. Each site will be about 20'x35'. But the Trust Board authorities have also intimated us that these are sanctioned to us at the rate of Rs.6/- per square yard, i.e., it will cost us Rs.500/- (approximately) per site.

We are very poor people coming from the most backward and depressed class members of society. None of us is able to earn for even one square meal a day. In these circumstances, it is impossible for us to purchase house sites at Rs.500/- each. The Central Government and/~~the~~ our benign Government have bound themselves to bring this backward classes at least to the level of others, and make us live as human beings. We had approached the Government to give us sites and also build houses for us taking into consideration our helpless position in society. And now to ask that the sites should be purchased at Rs.500/- each is next to an impossibility. We have not the wherewithal to live and look after our families and in these circumstances, nobody would be even willing to advance moneys to us on loan. Even if we procure loans, the result will be we will ultimately (almost immediately) lose our sites to those who advance moneys.

In the above circumstances, we request ~~x~~ you kindly to recommend our case to Government to give the sites free to us or to advance moneys for the same as a free gift from the depressed class amelioration funds (for houses), and ~~x~~ thus enable us to live like human beings. Thanking you,

Respected Sir

We humbly beg to draw your kind attention to our representations submitted on 16th Dec. '54 and 17th June '55 regarding providing accomodation and financial assistance to construct houses for poor Harijan families of Bangalore civil stations. 5000

In this connection we beg to bring to your kind notice that from the reliable sources it is understood that the Chairman City Improvement Trust Board Bangalore is so kind enough to recommend to allot their two plots located at Millers Rd, Bangalore civil stations consisting 94 sites measuring 20'x35' at the rate of Rs 6/- per Sq. foot. This may cost heavy amount for which every harmless has to incure heavy debt. We afbraid that no member family is well enough to clear the debts. And this we will be deprived to enjoy the benifits of the boons so generously granted. we have already explained our poverty and condition of our living which kindly need to explain once again

So, we have approached your honorable Self to appeal to aquire the above plot and allot us under the Scheme of Boodhan. (Free of cost) and provide financial aid under the National Extension Scheme and State fund to construct the houses. we earnestly hope and feel sure that our humble request

Sir,

Subject:- Layout in S.No.112 and 113 of Byaderahalli by the side of Nandidurg Road

In reply to your letter No.L.1992/ITB.11-55-219 dated 28-4-56 on the above subject, I write to state that this is not a Scheme intended exclusively for the Harijan Leather Workers. The displaced persons of Balajinagar are proposed to be ~~recommended~~ accommodated in this layout and few sites have to be allotted to the Police Department for construction of Staff Quarters. There will be good demand also from the Public for sites in this area and there is also scope for expansion of the present Scheme.

I request that early sanction of Government to the - - Scheme may kindly be obtained and communicated early. The Harijan Leather Workers with whom I have discussed the matter to-day, will have to pay the value of site in one lump-sum at Rs.6-8-0 per Sq.Yd. and no concession can be shown to them.

Yours faithfully,
